

*Congressman  
TOM FEENEY  
Representing Florida's  
24th District*

## ***From the Desk of Congressman Tom Feeny***

Thank you for agreeing to receive my electronic newsletters. This message is designed to keep you informed about my work in Congress and Florida's 24th Congressional District. You can learn more about these and other topics by visiting my website at [www.house.gov/feeny](http://www.house.gov/feeny).

-Tom

### ***Feeny introduces legislation targeted at renegade judges***

Today I announced the "Reaffirmation of American Independence Resolution." This resolution, affirms the Sense of Congress that judicial decisions should not be based on foreign laws, court decisions, or pronouncements of foreign governments unless they are expressly approved by Congress. ### ***Feeny completes beach walk***

Over the last eight weeks, I walked the entire 75 mile coastline of Florida's 24th Congressional District. Along the way, I met with government officials, law enforcement officers, community leaders, and residents of coastal communities. The beach walk was an excellent opportunity to learn first hand about the issues most important to coastal residents. [Read more](http://www.house.gov/feeny/beachwalk)

### ***Feeny floor speech saves taxpayers \$6 million***

As the co-founder of the [Washington Waste Watchers](http://www.house.gov/feeny/washingtonwastewatchers.htm), a working group to combat waste, fraud, and abuse in the federal government, I recently gave a speech on the floor of the House of Representatives that exposed a misuse of federal funds at FEMA. The subsequent investigation led to the cancellation of more than \$6 million in future funding to this program. [Read more](http://www.house.gov/feeny/washingtonwastewatchers.htm)

### ***Feeny aids in effort to bring new NASA facility to Orlando***

On February 19, NASA Administrator Sean O'Keefe visited Central Florida Research Park to view a proposed site for NASA's Shared Services Center (NSSC). I briefed Administrator O'Keefe on the considerable advantages of locating NSSC and its 470 employees in Central Florida. [Read more](http://www.house.gov/feeny/nasaupdate2.htm)
